The College was informed of the passing of Fr Frank Shortis last Friday morning. The community of Whitefriars offers its condolences to Fr Frank’s personal family and to his Carmelite family. We held an assembly for the boys on Monday and outlined the impact that this man has had on our College. He built the infrastructure, was our founding Principal and set the tone for those who were to follow. We give thanks for the life of a man who gave us our motto, Almae In Fide Parentis and who lived out our tenets of prayer, community and action.

A requiem mass was held today at Our Lady of Mt Carmel in Middle Park.

A mass of celebration for the life of Fr Frank Shortis will be held at the College on Sunday 2 August at 7pm.

Given below is an extract from an article written by Fr David Hofman on the life of Fr Frank.

May he rest in peace.

Mr John Finn
Principal

Vale Fr Frank Shortis, O.Carm.
The College was informed of the passing of Fr Frank Shortis last Friday morning. The community of Whitefriars offers its condolences to Fr Frank’s personal family and to his Carmelite family.

We held an assembly for the boys on Monday and outlined the impact that this man has had on our College. He built the infrastructure, was our founding Principal and set the tone for those who were to follow. We give thanks for the life of a man who gave us our motto, Almae In Fide Parentis and who lived out our tenets of prayer, community and action.

A requiem mass was held today at Our Lady of Mt Carmel in Middle Park.

A mass of celebration for the life of Fr Frank Shortis will be held at the College on Sunday 2 August at 7pm.

Given below is an extract from an article written by Fr David Hofman on the life of Fr Frank.

May he rest in peace.

Fr Frank was born in Kyabram (VIC) on 10 July 1926, the son of Thomas Shortis and Catherine O’Rouke. His early years of schooling took place at Byrneside and Lancaster State Schools. Following two years at Kyabram High School Frank completed his secondary education at Assumption College, Kilmore.

On 12 March 1946 Frank joined the Carmelites, entering the Novitiate at Wahroonga (NSW). The following year he made his first profession of vows as a Carmelite and began his studies for the priesthood at Whitefriars Monastery, Donvale (VIC).

In the early 1950s the idea of expanding the Carmelites’ ministry to include education was gaining momentum in the Province. Finally a decision was made to establish a secondary school for boys on the Order’s property at Donvale. A number of Carmelites, Fr Frank among them, began studies at Melbourne University to prepare for their roles in the new school which became known as Whitefriars College.

From 1954 to 1960 while studying at Melbourne University Frank lived in the Carmelite Parish of Port Melbourne (VIC). In addition to his studies and assisting in the parish, Frank was also Acting Parish Priest at Port Melbourne and Acting Novice Master at Hunters Hill (NSW) at various times during these years.

In January 1960 Frank was named the first Headmaster of the new College which opened in January the following year. With him on staff in that first year were Fr James Pilkington, Br Thomas Butler and Fr Matthew McPhee.

For the next 12 years Frank oversaw the growth and development of the College and the formation of its staff. Especially important to Frank was the cultivation of the religious and spiritual dimensions of students’ lives.

Continued over page...
Principal’s report continued

Late in 1972 Frank was asked to be founding principal of Geoghegan College, Broadmeadows (VIC) a new co-educational, senior secondary venture of the Archdiocese of Melbourne, now known as Penola Catholic College. The project of establishing the school was marked with many frustrations, difficulties and uncertainties. Frank saw the potential of a new and different style of education for senior students, one which would help them to transition to tertiary educational opportunities.

(From there Fr Frank took up various roles including Prior Provincial and Parish Priest in a number of settings around Australia)

Our thoughts and prayers are also with Will Fernandez (10L7), Nicholas Bredhauer (12M2) and their families who both recently lost their Grandmothers. May they rest in eternal peace.

Almae In Fide Parentis

The Learning Commons Appeal

All current families, past families and old collegians will now have received a letter or email explaining the project and what we hope to achieve. We would like to thank those who have already donated to the campaign, it is a wonderful start! All donations to the Appeal are fully tax deductible. We invite you to donate online by clicking the link below.

2015 College Captains -
Joel Monteiro, Middle Years Captain, James Reidy, Vice Captain, Lachlan Mahon, Captain, and Matthew Zema, Vice Captain

After a well-rested Term 2 break, the Whitefriars community certainly looks forward to a meddlesome Term 3. This part of the school year is commonly renowned for its endless workload, but as diligent students of this College, it’s within our nature to continue to strive for our personal goals. A new semester brings with it opportunities for students to explore new academic and sporting facets of the College and a fresh boost of excitement and goal-setting. This new semester has begun with many events around the College. On Thursday 16 July, the Whitefriars community celebrated the annual recognition of Our Lady of Mount Carmel. Along with students donating $2 for a free dress day and sausage sizzles, we embraced once again the spiritual significance of this day. We look forward to the celebration day on 11 September.

Last week the annual House Swimming Carnival was held at the Nunawading Swimming Centre. We congratulate the winners of Stein House on their victory, but in particular we recognise all the boys who attended on the day to support their house and share an enjoyable day with your mates. No matter what your ability, demonstrating your house spirit was the greatest achievement. A huge thanks to all staff on the day in particular Mr Kellar and the sporting staff for their preparation and organisation of the day.

In light of these integral aspects of the College, it is with great sadness that the Whitefriars community says goodbye to the founding Principal of the College, Fr Frank Shortis. This influential Carmelite founded the school in 1961, deriving the term ‘Friars’ and leaving a legacy of humble men that will never be forgotten. The College and in particular the staff and student body will pay the respects to Fr Shortis today at his funeral. Although many boys didn’t know Fr Shortis personally, I’m certain to say his sustained culture will never leave the grounds of the College. May he rest peacefully by God’s side and watch over Whitefriars College eternally.

Thank-you enjoy the term!

Matthew Zema, College Vice Captain

Bound for Timor-Leste

Many thanks to all the Staff, Students, Parents, Local Primary Schools and Sporting Clubs, Businesses and Old Collegians for supporting this initiative in so many ways….donating, painting, packing and talking about the program all have helped to further the cause.

The container was packed (100% full) with clothing, medical supplies, educational resources, sporting goods, household and classroom furniture and many more items. All will go to struggling communities in Timor-Leste once the container makes the month long journey via Singapore.

There is much anticipation and excitement in Timor regarding this venture and I know that the recipients in these communities will be eternally grateful to Whitefriars College.

Mr Peter Rennie
1st Prize

2015 Toyota AFL Grand Final Tickets & Grand Final Breakfast Package for Two

AFL Authorisation Code: GFPROREQ-0560

Father’s Day Breakfast

Inaugural Father’s Day Breakfast

We are excited to announce our inaugural Father’s Day breakfast on Friday 28 August, 7.30 - 8.30am and hope that you will be able to attend with your son/s, or the young men at Whitefriars under your care.

Seating is limited, so please register through the following link as soon as possible:

http://www.trybooking.com/IMHK

Registrations close Thursday 20 August, unless filled beforehand.
2015 House Swimming Carnival

Congratulations Stein
ICAS English Competition 2015
On Tuesday 28 July a number of keen and motivated Year 7, 8, 9 and 10 English students competed in the annual International Competitions and Assessments for Schools (ICAS) English Competition. The competition was designed to challenge and extend students in key areas of reading, sentence structure and vocabulary.

The participation rate for this was outstanding with about 52 students across 4 year levels participating. This initiative gave students the opportunity to participate in an internationally recognised English competition, with many from the various English Enrichment Classes and English core classes involved. I thank Mrs Linda Whitby for her organisation and coordination of this event and Mrs Jill Fitzsimons for her support of the Enrichment Program more broadly.

Results to be released later in Term 3.

Humanities Enrichment – Australian Geography Luncheon for High Achievers
On Wednesday 29 July we had the annual Humanities Enrichment Luncheon for High Achievers. The luncheon’s primary focus was to reward, acknowledged and encouraged ‘student excellence’ in Geography and more broadly, Humanities. The lunch featured guest speakers including Max Bell, Humanities Captain, who acknowledged student performance in the recent Australian Geography Competition, and Mrs Nicky Contogouris, who addressed the boys about academic excellence and participation in humanities-type subjects in the higher year levels.

Again, I would like to acknowledge and congratulate all students who participated in the Australian Geography Competition and look forward to your continued involvement in Geography/Humanities in 2016. A special thanks to Mrs Nicky Contogouris for organising and coordinating the event and Mr Frank Pospischil for his support of the Humanities Enrichment Program more broadly. Congratulations boys. Click Here for the full list of High Achievers recognised.
Science Week 2015

Next week is Science Week at Whitefriars. This year we are celebrating the 'Year of Light' and there will be plenty of activities happening throughout the week.

Every day students will have a chance to win a canteen voucher by answering the 'Light’ inspired trivia questions correctly as well as having the opportunity to be involved in ‘Light’ inspired lunchtime activities.

All activities are available for all students and it would be great to see as many students involved as possible.

Keep an eye out for Mr Heights email every morning for the daily trivia question and reminders of lunchtime activities.

Yours in Science,  Mr Height, Learning Leader - Science and Declan Gridley Science Captain.

Year 8 OLP Camp

Whitefriars’ Outdoor Learning Program (OLP) is an experiential program, conducted across the Middle Years, which allows all students to participate in activities and experiences outside the ‘normal’ classroom curriculum. We believe that ‘learning by doing’ is a powerful and effective way of developing both personal and academic skills.

With the ever increasing demands on young people to respond to a range of stimuli, particularly electronic, there seem to be fewer experiences to reflect, evaluate and compare values, beliefs and relationships.

The upcoming Year 8 OLP camp introduces students to skills and simple community living whilst on a 4 day canoe and walk journey at the Murray River. This program introduces the self-cater concept and requires a small bush-walk. The boys will prepare and cook all their meals under supervision. Cultural themes will also be extended on this program.

Our Middle Years Outdoor Learning Programs are run in conjunction with the Outdoor Education Group. To find further information on the Year 8 program please visit the OEG website - www.oeg.org.au user name: white, password: friars.

Where: Murray River
What: Canoe and Walk Journey; introduction skills and simple community living
Who: All Year 8 students; College staff and Outdoor Education Group staff
When: Tuesday 25 August – Friday 28 August

Pre-Camp information sessions
Pre-Camp information sessions will be run at school: for students Monday 3 August, for parents Monday 3 August from 7 to 8pm in the College Theatre. Staff from the Outdoor Education Group will be present at these sessions.

All relevant information will be presented at these information sessions, and individual questions will be answered at this time.

If you have any questions please feel free to contact Mr Trent Collins (Middle Years Coordinator) at the College on 98728200.

Environment

The College Wetlands is located in a significant ecosystem in the Mullum Mullum Valley. A Manningham City Council Management Plan (June 2008) studied the area’s flora and fauna with regard to a future bike track. Endangered birds, like the Powerful Owl, Swift Parrot and Regent Honey Eater have been spotted in the area. Over 2,000 plants were recognised and over 500 fauna species observed. VCAL students are planning the new bird hide as the old bird hide was in disrepair and demolished earlier this year. With Mr Bell’s and other staff guidance, the students are designing, constructing and incorporating information boards that will be used by the College students. The proposed council bike track will pass along the College Border and presents an opportunity for the wider community to enjoy the College wetlands and future bird hide.

National Tree Planting Day will be celebrated at the College during Enviro Week, Monday 31 August to Friday 4 September. College leaders and members of the local community Key Club will plant native shrubs and plants around the Wetlands area. These plants have been purchased using the $500 Victorian Schools Garden Awards grant won earlier this year. Thank you to Kuranga Native Nursery, Mount Evelyn, who are supplying the plants at a discounted rate.

Enviro Week is running a photography competition. The Science Theme this year is Light. Students and staff are welcome to submit entries to Ms Menzies by Monday 31 August. These will be displayed during the week and judged. The top 12 will be used for our 2016 Environment Group Calendar. Thank you to the students who have already entered some amazing images and to Mrs Agnew and Mrs Baker for their assistance and support of this activity. Stay tuned closer to the date, where our Environment Captain, Patrick Campbell will announce other activities.

Mrs Jo Anne Menzies, Environment Coordinator
Melbourne Writers Festival 2015

In the week beginning 24 August Whitefriars College will be once again travelling to the Melbourne Writers Festival to participate in workshops offered by some of Australia’s most influential authors and publishers. The excursion is offered to students in Years 7, 9 and 10 as part of the English Enrichment program and also offered to students who have performed well in the annual Whitefriars Writing Competition.

This is the inaugural visit to the Writers Festival for the Year 7 students and we are extremely excited to have planned an amazing trip for them. The students will be attending a writing workshop on Identity after a tour of the Immigration Museum, presented by Amra Pajalic author of ‘The Good Daughter’ (winner of the 2009 Melbourne Prize for Literature’s Civic Choice Award), a novel for children, ‘Amir: Friend on Loan’, and co-editor of the anthology ‘Coming of Age: Growing up Muslim in Australia’. They will also attend a tour of the NGV’s exhibition ‘Bunyips and Dragons’, inspired by creatures found in Australian picture books. After the tour the students will take part in another writing workshop offered by illustrator Sue deGennaro that will inspire them to create their own mythical beast. Sue has illustrated 14 picture books including, most recently, ‘Hairy Nosed Wombats Find a New Home’ by Jackie French.

Year 9 and 10 students will be continuing their relationship with the festival in attending a writing workshop presented by author Abdi Aden. This particular workshop will focus on the ongoing search for identity that the boys are no doubt grappling with, and will attempt to encourage the students to empathise with those whose identity is fluid, unknown or reimagined because of the circumstances beyond their control. Abdi Aden has quite a strong story to communicate to the students. Abdi’s world fell apart when he was only 15 and Somalia’s vicious civil war hit Mogadishu. Unable to find his family, he fled with 60 others. Four months later when they arrived in refugee camps in Kenya, only five were still alive. He arrived in Melbourne with nothing. Yet he survived and he thrived. Since then he has co-authored his story of survival called ‘Shining: The Story of a Lucky Man’ (currently available on the Whitefriars College Wheelers Website). The students will then head off for lunch around Federation Square to absorb all that the Festival has to offer before joining up with their teachers to experience ‘History Reimagined’ with Jane Caro and Kelly Gardiner. Jane Caro is an author and a novelist, journalist, broadcaster, columnist, advertising writer and media and social commentator. She has published six books, including one novel, ‘Just a Girl’, about Elizabeth Tudor. The sequel ‘Just a Queen’ is her seventh book and second novel, Kelly Gardiner’s historical novels for young adults include ‘Act of Faith’ and ‘The Sultan’s Eyes’, both of which were shortlisted for the NSW Premier’s Literary Awards. Her novels for younger readers include the ‘Swashbuckler’ historical adventures, set in the world of the Mediterranean pirates. Jane and Kelly will explain how they bring historical figures – famous and obscure – to life in their fiction, and how the past can shed light on the present.

Previous attendees of this valuable opportunity remember their experiences fondly and no doubt attempt to impress in the following year’s Writing Competition in order to be invited back to the festival:

As the Melbourne Writers Festival approaches once again, I’d like to take the time to recount the premiere convention for young writers in Australia last year, and elaborate on the exciting experiences that are on offer for those attending MWF this year.

At the 2014 Melbourne Writers Festival, a handful of students, including myself, were given the opportunity to attend a workshop run by a published author, and were given an insight into the life of a professional writer. We able to create our own pieces and receive feedback, whilst being given valuable advice on how to better our writing technique.

The upcoming MWF has a variety of activities available to students; including a workshop run by Abdi Aden, a published author that tells the story of his journey of hardship, and ultimate success. Many of the boys are looking forward to yet another MWF, as we’re sure it will be just as valuable of an experience as in the years gone by.

Last year a group of students took part in visiting the Melbourne Writers Festival. It was an incredibly valuable day and we underwent many activities. Firstly we were in a workshop with a young writer who told us about his long journey to publishing his first book and ran activities with us that helped us gather inspiration for stories. We were given a lecture later in the day giving us further insight on how to gather inspiration. Half way through the lecture we were taken through a display of many antique fashion items and were told to remember one particular item so that we could plan a story involving it.

Another group of students will be going again this year and we are very eager to participate. I genuinely look forward to speaking to another young writer and learning things from him that will definitely help me with my English studies.

Students who will be attending are encouraged to read up on each author’s work as they will no doubt refer to their more recent texts. Texts can be accessed via Wheelers eBooks or more information can be obtained on the Melbourne Writers Festival Schools Program Website.
Haemoglobin Heroes

Many more lives have been saved by our local Heroes – **Haemoglobin Heroes**, that is! Many recipients will be forever grateful to Connor Briggs, Chris Dodds, Liam Ford, Luke Freeman-Burns, Connor Healey, Matthew Jernejeic, David Martini, James Tomkins, Ryan Young, and Mr Tom Robinson.

If you would like to donate and save your three lives, please email me.

Last In Fide featured human donors; this week it is the turn of canine donors!

More than 1200 dogs a year benefit from crucial blood transfusions using blood supplied by the University of Melbourne’s Canine Blood Bank, which is based at the University’s clinic and vet hospital. A dog may require a blood transfusion for many reasons, including cases involving road trauma, surgery, disease and poisoning - similar to a human. Any dog can be a donor so long as it is over 26kg and between 1 and 6 years of age; they can donate every 12 weeks, again just like a human. The Canine Blood Bank has two groups of blood donors: a growing number of privately owned pets, and about 50 resident retired greyhounds.

The dogs are given a health check and their blood is screened to make sure they are healthy enough to donate and the blood is safe to give to other dogs. No sedation is given; dogs usually just lie quietly while their blood is being taken, with their owners beside them. The visit to a collection centre takes about 45 minutes, and the dogs get a drink and a snack at the end. Sounds familiar?

Paws for thought:

*Humans have 4 blood types (A, B, AB and O), dogs have at least 8 major groups, horses have 15 recognised blood types, cats have two.*

*There is no breed-specific blood type in dogs; so long as the type is compatible a Rottweiler can donate to a Chihuahua*

**Give blood – it’s the gift of life for all!**

---

**War Touches Us All - Young Writers Competition**

Whitefriars has been invited by Whitehorse Manningham Libraries to participate in an exciting Young Writers Project and we’d love our students to be a part of this exciting initiative.

The project is called ‘War Touches Us All’. Students are invited to write a piece about a local person whose life was touched by World War 1. Some great prizes are on offer and there are lots of great angles and stories students could pursue.

To support students, Whitefriars will host a visit from celebrated author, Robert Hillman, period 2, Monday 24 August. This will be a talk and workshop. If you would like to attend, please email Mrs Fitzsimons for an incursion form.

Links to some great resources appear [here](#):

Author talks from Morris Gleitzman, Alice Pung, Jack Heath and John Marsden will also occur at various libraries in the City of Whitehorse and Manningham. A flyer with times and dates is available from the College Library.

*Mrs Jill Fitzsimons, Learning Leader - English*

Ms Nathalie Fox
Learning Leader - Performing Arts

Piano excursion
Last Thursday, 20 instrumental Piano students enjoyed an excursion to Scotch College. Firstly the boys attended a workshop about the Steinway 9 foot Concert Grand piano and were able to see it come apart and learn how it works. Some of them also played on it afterwards and there was some excellent piano repertoire performed. Then everyone went to the chapel to hear the pipe organ, have a play on it and hear the magnificent sound from the big pipes. A big thank you must go to Ms Chin for organising our visit to Scotch College.

Mr Luke Hynes, Piano Teacher

“I really enjoyed playing on the Steinway” Ben Roberts 11E5
“The pipe organ was very large, and it sounded really good as well! It was good seeing inside a Grand Piano, and hearing the different sound” Ciaran Weir 7T5
“The whole day was awesome!” Angelo Amato 8M3

Senior Play
We are heading into Production week for our much anticipated Senior Play – Louis Nowra’s ‘Cosi’. The story is set in a theatre on the grounds of a Melbourne mental institution in 1971 and features a host of characters from pyromaniac Doug to obsessive-compulsive Ross. The production features students from Years 10, 11 & 12 and promises to be a great night out.

Tickets are selling fast so make sure you book early. Performances will be held on August 6, 7 & 8 at 7.30 pm. Ticket prices are $15 adult and $10 concession and may be booked through Try Booking using the following link: http://www.trybooking.com/IKAE OR http://www.trybooking.com/147372

Jazz Soiree
Always a popular night, the annual Jazz Soiree will be held on Thursday 13 August in the College Functions room. Seating is at tables of 6 and you may also book individual seats using the link below. Enjoy a drink and nibbles while you listen to the mellow performances of our College Jazz ensembles along with professional guest performers.

This is a truly entertaining and enjoyable night out and, because of its popularity, always books out early.

Cost is $10 per person, BYO drink & nibbles (tea & coffee supplied). Secure your seats at: www.trybooking.com/ILNS

Upcoming Events:

Senior Play – 6, 7 and 8 August – Healy Wilson Theatre

Jazz Soiree – Thursday 13 August – Functions Room – Jazz Combo, Stage Band, Junior Jazzers, Global Rhythm Ensemble, Choir, VCE students

ACC Stage Band Workshop – Monday 31 August – Stage Band, Junior Jazz Ensemble.

Dear Parents,

Just a few words about Fr Frank Shortis, O. Carm. Since 1971 and earlier I have been very privileged to know Fr Frank as have our family. Fr Frank was a most wonderful man with amazing foresight. Under his guidance we have seen Whitefriars College grow to what it is today. His friendship has been everlasting and I feel very honoured to have been in contact with him over all these years.

Thank you Fr Frank for all you have done for us here at Whitefriars. Deepest sympathy to the Carmelite Fathers and Brothers.

May Fr Frank rest peacefully in the arms of our Lady of Mount Carmel.

Entertainment Books.
We have 10 Books left so just fill in Order Form and return to myself at the college or phone 9872 8307 Books are $65.00.

Trivia Night.
Parents and Friends of Whitefriars are holding a Hollywood Trivia night on Saturday 22 August at St Johns Hall in Mitcham. Make a note in your diary as it is sure to be another huge success.

Contacts: For your assistance the following are the main Parents Association contacts for 2015. Please do not hesitate to call us if you have any questions, or are interested in coming on board to help with our 2015 events and initiatives.

Max Connors - 0400 576242, Don Chesterman - 0408 345766, Lynda Connors - 0412 175458, Monika Bredhauer - 0438 220361, Marisa Smeed - 0425 730876
North Ringwood Cricket Club - 2015/16 Junior Cricket Program

The North Ringwood Cricket Club are seeking players for our Junior Non-Competitive & Competitive teams.

Non-Competitive Juniors - This intermediate program is aimed at children aged 7 - under 10 and gives them the opportunity to develop cricket skills whilst learning the basics of teamwork and the spirit of cricket.

These children train once a week and play a Non-Competitive fun game on Friday evenings, starting Term 4.

Competitive Juniors - The Competitive Junior program offers children the opportunity to learn, consolidate & enhance their cricket skills, with teams fielded at different levels within U12 (Friday nights), U14, & U16 age groups (Saturday mornings). Training begins in August and games begin Term 4.

Specialist Coaches - In mid September, with the commencement of outdoor training, the following coaches will assist with the development of our Junior cricketers:

Jonty Rushton - Junior Batting Coach
- U16 & U18 Northern Falcons vice-captain
- 2013 U16 donor captain Northern Falcons
- 2012-13 Ringwood Rams CC, Best of the Year
- 2014-16 Vic Metro 7s Captain
- 2014 Vic Metro U16s Captain
- 2014-16 Ringwood Rams CC 7s debut
- 2014-15 Ringwood Rams CC, 7s Captain
- 2015 Ringwood Rams CC, 7s Promising Player
- 2014-15 Vic Metro 7s debut
- 2015 Australian 7s squad
- 2015 Victorian Futures League Winter squad

Michael Topp - Junior Bowling Coach
- Vic u17
- Vic u19 two years
- Vic rookie contract
- Vic 2nd xi
- Vic u23s
- Ringwood 1st xi (4 years)
- Centre of Excellence Training

Ten ways to promote the natural genius in your child

Andrew Fuller
Sports Report

Mr Gavin Kellar
Faculty Head - Sport

Last Friday we held the Whitefriars College House Swimming Carnival at Nunawading Aqualink.

Thank you to all staff and students (especially our College Sport Captains) for your amazing assistance and participation on the day. The collegial support and spirit was fantastic and something that our College consistently does extremely well. Thank you also to the many parents who attended the carnival to support both their sons and the College. This was greatly appreciated.

I would like to congratulate:

- Stein House for winning the Junior Carnival and being awarded the Overall Carnival winners through terrific participation and performance for their house on Friday.
- Soreth House for being awarded the Dan Crowe Memorial Shield for their participation and support displayed to their house on the day.
- Lev Makarushkin of Year 9 Mantua for winning the Junior Fastest Friar event in a time of 27.00 seconds; and Daniel Te of Year 11 Avila winning the Senior Fastest Friar event in a time of 26.72 seconds.

Good Sport Nominations

Each week we have many students who excel in Sport, whether it is in ACC Sport or Non-ACC Sport. Each week staff members are asked to nominate students who have demonstrated excellence via their performances, participation, sportsmanship, cooperation and teamwork. The following students have been nominated as Good Sports for this week:

Year 8: Marcus Agnos
Year 9: Lev Makarushkin Dylan Knight
Year 10: Loughlin Hooper
Year 11: Kenneth Ting Max Warrick Daniel Te
Year 12: Frank Anderson Riley Fyffe Karim Faltas Ryan Young Sam Weideman Rudi Hunt Jack Young Joseph Bisignano Evan Smeed Jaye Witnish Eden Wilson Tom Knapper Hayden Currie

ACC Fixtures

Next Week
For ACC Fixtures I have included the venue and the Estimated Return Time (ERT) to Whitefriars to assist parents collecting students.
