## From the Principal

Mr Anthony Kirley  
Principal

Dear Parents/Guardians, Families, Students and Staff

### College Assembly

The College Assembly was held on Thursday 30 August, celebrating achievement, participation and the 'life' of the College in Semester One. As part of the Principal's address, students were asked to reflect on reasons driving their motivation for learning and to consider what inspires them in their positive relationships with others, in their commitment to their academic program and in their faith formation – as a 'gentle man', finding time for prayer and speaking up for the silent. Some attributes of leadership were shared with the group prompting individuals to consider their decision making and responsiveness to others. For example:

- Strong enough to be weak
- Busy enough to make time
- Wise enough to say "I don't know"
- Serious enough to laugh
- Right enough to say "I'm wrong"
- Important enough to be last
- Responsible enough to play
- Victorious enough to lose
- Leading enough to serve others

Blessed are the poor in Spirit, for theirs is the kingdom of heaven.

Blessed are the merciful, for they shall receive mercy.

Our Lady of Mount Carmel, pray for us.

Holy prophet Elijah, pray for us.

Assembly program: Prayer; National Anthem; Principal's Address; College Captain's Address; presentations on Global Citizenship @ Whitefriars i.e. Timor-Leste Immersion, Indonesian Study Tour, Young Leaders to China, Antipodeans – Nepal Trip, Year 9 City Experience; Reports of Our Lady of Mount Carmel Day planning, Sport, Environment and Performing Arts; Music Performance; Awards to students including:

Kwong Lee Dow Young Scholar:

- Patrick Daly

Illuminate Entrepreneur Competition:

- Joe Petrowski

*Report continued over page ...*

- Sam Mathers
- Fletcher Inggall
- David Ola
- Noah Sealey
- Jake De Andrade
- Jack Jenkins

#### Dante Alighieri Competition

##### Finalists:

- Year 9 - Luke Carletti and Lucas D'Costa
- Year 10 - Jamie Currow, Adrian De Saram and Massimo Corrente
- Year 11 - Liam Jones and Marco Signor

##### Placegetters:

- 1st place Year 11 Italian-Australian section: Marco Signor
- 2nd place Year 11 Non-Italian section: Liam Jones
- 3rd place Year 9 Italian Australian section: Lucas D'Costa

##### ICAS Digital Technologies Medal Winner:

- Jayden Bardrick

#### Recent Events

I acknowledge our appreciation and convey our thanks to all those involved in the recent successful activities:

- Year 9 and 10 Course Advice day on 29 August
- Senior Play – 'An Exercise in Collective Nonsense'
- Excursions: Year 8 Science, Italian and Chinese; VCE Theatre Studies
- College Assembly
- ACC Competition (finals)
- Classical Soiree
- Year 9 Colonial History Trip to Sydney
- Year 8 Bike Day
- Sustainability Photography Competition (Theme: 'Water')
- Health and Physical Education Week - many lunchtime events and associated learning activities
- VCAL restaurant
- Fun Run for the Pat Cronin Foundation

#### Fun Run - Cross Country Squad – Pat Cronin Foundation

A Fun Run for the Whitefriars ACC Cross Country Squad and senior students took place this morning at the College, raising funds for the Pat Cronin Foundation. By participating in such events as the Fun Run, and the Golf Day later in the year, Whitefriars College truly shows our supports for the Pat Cronin Foundation, holding dearly the importance of taking a stand against violence. We remember Pat as a respected, caring, gentle man, and we support the Foundation's dedication to prevent coward punch attacks through awareness, education and research.

#### Cultural Exchange Program - Ruffini High School

This week we welcomed the students and teachers from Ruffini High School, Imperia, Italy, for their ten-day cultural immersion program at Whitefriars as part of our exchange program. We are involved in this program again with Academy of the Mary Immaculate College, Fitzroy, where the Ruffini girls will be going to school, whilst the boys are at Whitefriars. Through this reciprocal program over many years, friendships have been further strengthened and deepened and an excellent relationship between the Whitefriars and Ruffini schools has developed. Whitefriars returns to Ruffini in 2019.

Best wishes to all members of the College community.

**Mr Anthony Kirley**

**Principal**

## Learning @ Whitefriars

Mr Mark Ashmore  
Deputy Principal -  
Learning and Teaching

### Global Citizenship

To be a global citizen, one must look beyond 'food', 'festivals' and 'flags'.

Whilst these elements are important, as seen during our Multicultural Week celebrations, it is the deeper cultural understanding of values, beliefs and attitudes that help our students foster positive relationships, develop cultural awareness and global perspectives with others.

Global citizenship enriches all areas of the school curriculum, and each subject has an important contribution to make in developing these key elements. The College Learning Areas continue to review the curriculum, pedagogy and assessment to ensure the formation of skills, knowledge and understanding as well as values and attitudes to equip our boys to have a positive impact in communities across the globe.

- Religious Education classes highlight how the Catholic faith and Carmelite traditions are global, the teaching of ethics and Catholic social teaching, and developing an understanding of cultures and beliefs through the study of world religions
- Languages expose our boys to culture, language, beliefs and values
- English texts and themes develop intercultural understanding and global perspectives
- Humanities explores the history, geography and cultural understanding of people within Australia and across the world. Indigenous perspectives are learnt in the context of history and geography.
- Science and technologies teach sustainability, the environment, critically thinking about the changing world, and innovation to make positive changes
- Commerce focusses on the local, national and global political and economic benefits and challenges for Australia in a globalised and consumer paradigm
- Visual Arts explores art and media using cultural and religious prompts for the student to explore in their work.

Global citizenship is to have an understanding of the values and beliefs of different cultures and religions locally, nationally and globally. Developing cultural awareness, respect, diversity and an awareness for the environment in the context of our Catholic faith and Carmelite tradition helps our boys to contribute to the community as global citizens. Such an understanding is developed in class, extra-curricular activities and during the trips, tours and immersions.

During the College Assembly last week, we were able to recognise some of the activities and events that promote and develop the values, beliefs and attitudes of global citizens. Students spoke of their experiences during the Timor-Leste Immersion, Antipodeans Tour to Nepal, Indonesian Study Tour, the Victorian Young Leaders to China experience, Environment Week and Year 9 City Experience.

## Academic Enrichment

Mr Ashley Payne  
Academic Enrichment Coordinator

### ICAS English Competition Results 2018

Earlier this term a number of keen and motivated Year 7, 8, 9 and 10 English students competed in The International Competitions and Assessments for Schools (ICAS) English Competition. The competition was designed to challenge and extend students in key areas of reading, sentence structure and vocabulary.

I am pleased to announce that the results for this competition were excellent across all year levels. Results are presented below. Of particular note was Simon D'Costa, Benjamin Clarke and Ciaran Weir who all received Distinctions; a commendable effort.

I would like to thank Mr Russell Melenhorst for his organisation and coordination of this initiative and Mrs Fiona Lennon for her support of the Enrichment Program more broadly. Well done boys! Certificates will be presented to those below shortly.

#### Award Key

D - Distinction (Next 10% of participants)

C - Credit (Next 25% of participants)

M - Merit (Next 10% of participants)

Name	Year	Score	Award	Name	Year	Score	Award
Simon D'Costa	7	48	Distinction	Danny Phung	8	32	Merit
Harry Evans	7	29	Participation	Benjamin Smith	8	38	Credit
Henry Fyfe	7	38	Credit	Lucas D'Costa	9	38	Credit
Cole Anastasiou	8	37	Credit	Liam Downie	9	33	Participation
Evan Chee	8	32	Merit	Yianni Komninos	9	37	Merit
Eric Do	8	33	Credit	Roger Luo	9	27	Participation
Ben Duffy	8	33	Credit	Nicholas Stackpole	9	35	Merit

## Careers

Mrs Anna Gasparini  
Careers Advisor

As always it has been a very busy Term 3 with our students making course and study selections for 2019. A big thank you to all parents who attended the many events over the Term and provided support to the boys to make course selections and plan. Most Open Days have now finished but it is still possible to contact Universities and TAFE colleges if you have questions or require assistance. Please refer to the latest newsletter for details of upcoming events.

Year 12 students have made their course selections with most hoping to pursue further study at University or TAFE in 2019. If students are required to complete selection tasks for entry into courses, they should be working on these now. Any student intending to apply for SEAS (Special Entry Access Scheme) that requires a College staff member to write a supportive statement should have this completed by **Friday 14 September** to allow staff time to prepare documents. Students and parents can contact the Careers Department if they need assistance with SEAS or Scholarship applications.

Revision lectures for VCE students will take place during the upcoming school holiday period. [Click here for the latest Careers Newsletter](#)

## College Captain's Report

Joel Monteiro  
2018 College Captain

As we begin to approach the end of Term 3 and the end of the year, I must welcome all of our families and friends in the Whitefriars College community to the beautiful season of spring! With the AFL finals, spring racing and final assessments and exams on their way, let us hope it gets warmer soon!

Plenty has gone on in Term 3. I must commend the Year 7s who have settled in comfortably to Whitefriars life and have made a very impressive transition. What a bunch of talented, eager and enthusiastic boys. They continually dive right into life at the College and give anything a go! It was wonderful to see them come together to celebrate the Assumption of the Virgin Mary, where in tradition the boys received their treasured Scapular.

I must also commend:

- The Year 7-10 students who participated in the effective speaking English competition. Their courage must be acknowledged and commended, presenting in front of their peers.
- Our Year 8s who relished in the great outdoors on their camp at the Murray River, learning new life skills and building on friendships.
- Everyone who organised and participated in National Science Week, where students could enjoy 'SCINEMA' short science films on offer and focus on problem solving and game making (including an electrical circuit board competition and a Mario kart battle at lunchtime)
- Our Chess team who participated in the Regional Chess Tournament at Marcellin College and competed against students from a number of different schools in the region and did extremely well.
- All students who participated in the Monash Youth Music Festival at Monash University, where our Junior Choir finished second and the Senior Vocal received an Honourable Mention.
- The 2018 Illuminate Next Gen Team of Whitefriars student entrepreneurs on being awarded the Best Pitch Deck Presentation Award at Deakin University.
- Those who took part in the three-month house reading challenge for Book Week's 'Read a million words' competition. Participants read an incredible 28million+ words collectively.

As a College that values and celebrates excellence, we also celebrated our Semester One High Achievers across all year levels on 20 August.

### Last week

In other news, our Cross Country team was fortunate to be joined by Australian Paralympian Jaryd Clifford who kindly trained with the boys and spoke about his experiences of being a professional athlete.

We also held a Student-led College Assembly. It included a College Captains address, reflections of trips to Indonesia, China, East Timor and Nepal. There were also tales from the Year 9 City Experience, the sports field and our performing arts stage along with the presentation of awards and the Principal's Address. With the end of the school year fast approaching and only a few weeks to go for the Class of 2018, it was humbling to sit together as a cohesive unit and wish each other well for the remaining months; especially our Year 12s who embark on a very important time in their career journeys.

### This week

On Tuesday and Wednesday of this week, Year 11 Leadership squad members went to Amberley Retreat Centre to engage in numerous discussions and a forum for 2019 Aspiring Leaders where the current Year 12 Leaders shared their experience. Good luck to all applying for a leadership position and may the Class of 2019 be led with pride and care.

Our annual Health and PE Week will be concluding today with a variety of activities surrounding health promotion. Our netball match against CLC and our Year 11-12 Fun Run this morning raised funds for the Pat Cronin Foundation. At this morning's post Fun Run BBQ Breakfast, PC12 wristbands were handed out to everyone involved to help us remember the important work of the Foundation. Boys wore their favourite footy jerseys and were enthusiastically involved, by running or walking with mates.

### What's coming up

For 2018, there is still much to look forward to and be a part of in our community. Tomorrow, over 40 Whitefriars students from Years 9-12 will be take part in the annual Manningham Relay for Life which is a community fundraiser. This event celebrates survivors, remembers those lost and recognises the unsung heroes; carers who dedicate their time to those unfairly struck by cancer.

On 14 September, led by Brandsma House Captain, Sam Ellingsen and with assistance of the senior leaders, Whitefriars has initiated a Sleep Out at school to support Brandsma's house charity Avalon. Avalon is a small charitable organisation whose aim is to help people 'who have slipped through the cracks'. Put simply, Avalon assists those who have been forgotten, overlooked and left behind; including the homeless, people with mental health and physical problems and disabilities, the elderly, refugees and anyone else who may benefit from their support. It's simple to be involved. Donate \$20 worth of new men's clothing (i.e. jumpers, jackets, sock, underwear) and sleep outside at the College for one night. This is a great opportunity to do something positive for our community with your mates!

United, we can achieve more. Let us use our courage and dreams to pursue our goals for the rest of 2018!

## Annual Golf Day

**The Whitefriars College Golf Day will be held at the Rosanna Golf Club on Friday 16 November 2018.**

This event will raise funds for the College and the Pat Cronin Foundation. The Pat Cronin Foundation resulted from the tragic death of Pat (Class of 2014) on 16 April 2016. The intention of the Foundation is to firstly, honour Pat and secondly, to prevent coward punch attacks. [Please click here to read more about this wonderful cause.](#)

The day will be a four player Ambrose event with competitions for the longest drive, nearest the pin, straightest drive and a hole in one. [To register, please click here.](#)

### Schedule

11.30AM Registration in the clubhouse with light lunch  
12.45PM Pre-game briefing  
1PM Shotgun start  
5.30PM Golfers finish, dinner and presentation  
9PM Close

### Golf Day Sponsorship Packages

A limited number of sponsorship opportunities are also available. Please click here to view our packages.

### Sponsorship Levels

Partner: \$5,000 (Inc GST)

Major Sponsor only (maximum of 1)

- Acknowledged as Major Sponsor in all communications
- Exclusive Major Product Display at Clubhouse eg parking of vehicles
- 1 group of 4 players
- 4 seats at evening dinner
- Sponsor of the official 'Beat The Pro' competition
- Company sponsorship banners at a hole of choice
- Company insert in gift bag for guests
- Company representative to speak at dinner and to present prizes
- Company logo on campaign website and hyperlink
- Logo on official golf invitation
- Logo on official golf pull up banner

Gold: \$1,000 (Inc GST)

12 sponsors only

- Acknowledged as Gold Sponsors in all communications
- 1 group of 2 players
- 2 seats at evening dinner
- Company sponsorship banner at one hole
- Company insert in gift bag for guests
- Company acknowledged at presentation
- Company logo on campaign website and hyperlink
- Logo on official golf invitation
- Logo on official golf banner

Please email Natasha Alexander on [nalexander@whitefriars.vic.edu.au](mailto:nalexander@whitefriars.vic.edu.au) for more information about sponsorship and payment options.

## Languages

### Lygon Street Italian Excursion

On Tuesday 28 August, all Year 8 students studying Italian as Language, hopped on a bus to Lygon Street in Carlton for an excursion. Everyone was excited, as we had heard it was one of the most popular language excursions at Whitefriars. We were given almost a full day to explore Lygon Street and to experience the Italian Culture. We had to complete a "treasure hunt" like task, visiting different stores, cafes and restaurants to gather information and photos. After we had finished our work, we had two whole hours for eating and exploring. The food was amazing, the staff and owners at the restaurants were very helpful and friendly. We had a lot of independence to explore which gave us a chance to learn more about the history and culture of Lygon Street. Everyone thoroughly enjoyed the Year 8 Italian Excursion to Lygon Street and would love to go back!

Ethan Oppy and Joel Brown

Ms Paula Barca  
Learning Leader - Languages

Ethan Oppy, Year 8

Joel Brown, Year 8

## Old Collegians

### Tom Lewis - Pick My Project

Since leaving Whitefriars College in 2012 I have worked a number of jobs including a BBQ salesman and editor for a fishing television show. After completing my Bachelor Degree in Communications (Media), I decided to save up money to work and live over in France. After lots of preparation gaining a French visa and sorting out work, I made my way over.

Living between Paris, Lille and Sarlat, I travelled and worked embracing the rich culture that France had to offer. Travelling throughout the surrounding countries during my spare time, I began to grow an affection towards the old and new basketball courts scattered through the various cities I visited. One court in Paris caught my attention in particular. Nestled in between two buildings in the heart of the city centre, the court is covered in colourful artworks, which climbed up the walls surrounding the area. I had never seen anything like it and thought how great it was that art could be incorporated into such a common space and turn it into something completely involving and interactive.

This led me to start up an initiative here in Melbourne, to restore courts and create an artwork that benefits the local community in so many different ways. We are applying for government grants at the moment - one of which is Pick My Project - and will hopefully be able to fund the project. Going forward it would be great to turn common spaces like these into more interactive and colourful artworks that can be enjoyed by all.

Voting closes 17 September, so [please 'Pick My Project' here!](#)

## WE NEED YOUR HELP

## SPORT COURT ARTSPACE

- Museum quality artwork painted onto the Surrey Dive sporting courts - 824 Canterbury Road - Behind Box Hill Aquilink
- Promote increased use and community connection in the local area
- Increased engagement with artistic community

## Performing Arts

Ms Nathalie Fox  
Learning Leader - Performing Arts

### ACCent on Music

Final preparations are underway for the ACCent on Music concert on Tuesday 18 September at Hamer Hall. Tickets are now available to purchase by accessing <http://accmelb.com.au/tickets/> then click on Whitefriars College.

The evening promises to be an exciting event of musical excellence featuring combined choirs, orchestras, jazz bands, drum line and symphonic wind ensembles involving 60 of our students across the ensembles. We hope to see you there.

### Senior Play

Huge congratulations to the cast and crew of the 2018 Senior Play 'An Exercise in Collective Nonsense' who performed to great acclaim last week. Over three nights, the highly talented cast entertained audiences through the absurdist tales of Simpson and his Donkey; a life-sized, sentient fishfinger; regaining the wonder of life and finding the second star to the left; an invention that could change the world as we know it; a goldfish and parrot having an existential crisis; and Shakespeare's masterpiece Hamlet – in 15 minutes.

Many thanks must go to the directors – Claire Benne, Adriana Tascone and Josh Cetin; our technical director Stuart Collidge; Lucy Linton-Smith for her fabulous poster design work and photography; Natalie Chim and Lucia Visentin for their magnificent work on costumes; Sandra Kennedy for her wonderful work in ticketing and front of house; Ben Hayhoe, Lachlan Tham and Shaun Hackett for their great work on the crew; and, of course, our performers – Marco Signor, Mark Uhlenbruch, Zain O'Neill, Noah Rose, Harry Bell, Diamond Lee, Cameron Dennis, Nathan Mariniello, Patrick Croke, Harry Brown, Liam Jones, Jamie Currow, Daniel Cutts, Luke Harford, Oscar Levi, Marcus Mohr, Joseph Sullivan, Alex Vander, Cameron Visentin and Kane Wallace.

### Classical Soiree

Thank you to all performers involved in our Classical Soiree on 6 September. A review will be posted in the next edition of In Fide.

### Group performances

A huge thank you to Domenic Bello and Monsterchops for performing our national anthem and presenting a feature music item of The Chicken by Pee Wee Ellis at the College Assembly on 30 August. Congratulations and thanks to the available Jazz Ensemble members who performed at the recent Manningham Citizenship Ceremony, once again presenting a professional and well-regarded product.

### Ensemble photos

Official ensemble photos will be taken in the Healy Wilson Theatre on Monday 10 September. All ensembles are involved and students have been asked to present in full College uniform and to report promptly at the time indicated.

### Performance shirts

Thank you to all those parents who have supported the new Performing Arts shirts. Feedback around the uniform has been excellent. If you son is involved in the ensemble program and has not yet purchased a shirt, please contact Sandra Kennedy.

### Up-coming events:

- 10 September: Ensemble photos
- 16 September: Final ACC rehearsal
- 18 September: ACCent on Music Concert
- 10 and 17 October: VCE Music Performance Soirees
- 17 October: Year 10 Drama and Stagecraft performance

**HAMER HALL**  
ARTS CENTRE MELBOURNE  
Tuesday September 18th, 7pm

Proudly supported by our event partner **fineMUSIC**

## Science Week

Mr Kristan Height  
Learning Leader - Science

National Science Week came around again last month and was marked at Whitefriars with a range of student activities that reinforced the annual theme, which this year was Game Changers and Change Makers. There was Ms Wang's Electrical Circuit Challenge, Mr Height's Drone Pilot Practise, Avatar Creation with Dr Goodall and Coding with Ms Powling. Lunchtime on Friday saw an epic student vs teachers Mario Cart Battle in which Adam Bardrick showed he not only has what it take to come out on top academically, but also give certain teachers a serious run for their money. Selected short science films were on show in the library each recess and on Wednesday night we hosted a community film night in the new Science and Technology Centre as part of the SCINEMA International Science Film Festival.

Thanks to the various staff from the Science Learning area and Library as well as Science Captain, John Korasidis, for making this year's Science Week such a success.

## Sustainability and Environment Team (SET) News

Ms Jo Anne Menzies  
SET Facilitator

**What a wonderful week for students and staff to participate in celebrating health and the environment! Highlights this week have included:**

- Water@Friars photography competition. Eighty-five entries depicting water in various ways have been a highlight. Staff and students have been voting all week to pick their favourite three images. Winner announced next week.
- Sugar free staff competition – staff sampled dishes that contained no added sugar. Congratulations to Mrs Ciavarella for her amazing sourdough toasted fruit loaf.
- Italian exchange students had a morning planting indigenous plants in the wetlands with the Year 9 Indonesian students.
- Year 10 Intro to Environmental Studies – tomato seedling planting
- Beeswax Wrap session – staff enjoyed learning making wraps from beeswax and fabric to replace cling wrap. A big thank you to Petra from Beeswax Wraps from the grove 3429. Ideas and events go to <https://thegrove3429.com/>
- Student scavenger hunt – students collected clues and items around the College about the environment. Fastest time and most correct items winner will be announced next week.

## Health and Physical Education/ Environment Week 2018

Mr Shane Cotter  
Learning Leader -  
PE & ODE

This week, the College participated in Health and Physical Education/Environment Week. A number of activities were conducted throughout the week such as an AFL goal kicking competition, fastest tennis serve and 3 vs 3 in basketball. This year both departments combined to conduct a number of activities such as a photography competition, fruit smoothies and finishing off with a free dress sports top day and a band on the canteen decking. This year, the inaugural Pat Cronin Foundation fun run was conducted for senior students starting at 7am on the final day. The entry fee of \$10 also included a BBQ and wristband acknowledging their contribution to this important cause. The event raised \$1100 – a great effort considering it was the first time it was conducted.

The week started this year last Monday with our school hosting the netball team from CLC to play our Sports Captains. It was a gold coin donation with proceeds also going towards the foundation. We were able to raise over \$200 thanks to a major fundraising effort from CLC. The teams were mixed between the girls and Sports Captains. It was a great success.

VCE PE students organised a number of competitions for all year levels in football, table tennis, tennis and soccer at lunchtimes. Prizes of Rebel sport vouchers were awarded throughout the week.

Our theme for the week was 'Promoting Physical Activity for all ages'.

The canteen offered healthy food and drink alternatives in support of our theme. A number of students commented to HPE staff how good the options were and hoped that it continued. A big thank you to Mrs Murphy and all the ladies in the canteen for the extra work they put into the week. Hopefully, students stopped to think about their eating and drinking habits and how sugar products are in a number of items that we have as part of everyday life and how this can affect their overall health.

I must extend a big thanks to our Sports Captain, Sam Harte, who coordinated and organised quizzes, canteen rosters at lunchtimes and the student team for the netball match.

The HPE and Environment department hopes everyone enjoyed the week and can take away a message about having a connection with our environment and the importance of staying healthy.

[VIEW THE PHOTO GALLERY HERE](#)

## Sports Report

Mr Gavin Kellar  
Head of Sport

### Pat Cronin Foundation Fun Run

This morning, over 100 senior students and cross country squad members came together to participate in the inaugural Pat Cronin Foundation Fun Run. The boys wore their favourite sporting colours, ranging from vintage Collingwood FC long-sleeves to local football jerseys. It was inspirational to have Matt Cronin, Pat's father, in attendance to talk about what this event means to the cause and how the generous donations will contribute to real-world change.

The course, consisting of 2.8km, catered for all athletic abilities and allowed for the cross country members to run at a fast pace, yet also encouraged other students to walk together socially with their mates. We enjoyed a delicious BBQ Breakfast on completion of the run which was cooked by Whitefriars staff and some volunteer students.

Thanks must go to Mr Worner and Mr Kellar for initiating the Fun Run, as well as the College Captains and House Captains for spreading the word and motivating as many students to take part in this awesome occasion.

Ricky Hou, Year 12

Ricky Hou,  
Cross Country Vice Captain

### Senior B Basketball Team

Congratulations to our Senior B Basketball team (and Coaches Mr Ward and Mr Worner) for winning the ACC premiership against Mazenod, at MSAC yesterday. In a fantastic team display, they walked away comprehensive winners. The final scores were: Whitefriars 64 defeated Mazenod 40.

### Year 9 Hockey and Basketball Teams

Congratulations must also go to our Year 9 Hockey team (Coach Mr Rennie) and Year 9 A Basketball team (coach Mr Payne); who both played in ACC Grand Finals this week. Although both teams were narrowly defeated, they both had fantastic seasons.

### ACC Cross Country Carnival

Just a reminder that the ACC Cross Country Carnival is on next Wednesday 13 September at Bundoora Park. Many students have trained extremely hard for this event through 7am training sessions twice a week in Terms 2 and 3, as well as competing in the Victorian Championships on some Saturdays. It is imperative that everyone who has been selected in these sides returns the permission forms prior to the event and we wish all boys competing the best of luck. I am sure we will see many personal best results. Students from Years 7-11 will be leaving the College at 8.15am; and students in Year 12 will leave straight after recess.

The race schedule for the day is below:

Starting Times:

Under 13 10.45 am 3000m

Under 14 11.15 am 3000m

Under 15 11.45 am 3000m

Under 16 12.15 pm 5000m

Under 17 12.45 pm 5000m

Senior 1.15 pm 5000m

### Well done and good luck boys!

If your son has been selected in any state or national sides please feel free to let me know via my email address [gkellar@whitefriars.vic.edu.au](mailto:gkellar@whitefriars.vic.edu.au) so that I can give them recognition in this report.

For any information regarding the ACC including Results and Ladders and Updated Fixtures/Venues go to [www.accmelb.com.au](http://www.accmelb.com.au)

## Star Student

Dylan Williams has been selected to play in an Under 17 All Stars match on Grand final Day as part of the AIS/AFL Academy. This game looks at the top eligible 2019 draftees from across the country. The players are split in to two teams – Team Riewoldt and Team Bartel – in an exhibition match on the MCG, which will be broadcast from 10am on Grand Final day.

Good luck Dylan!

Dylan Williams, Year 11

## Whitefriars Cricket Club

We are looking for students to play Friday night or weekend cricket with the Whitefriars Junior Cricket Club. Players may have missed selection in the Year Level Cricket Team. These would assist with skill development and be more social than ACC Cricket.

If you're interested, please mail David at [whitefriarscc@gmail.com](mailto:whitefriarscc@gmail.com)

## **College Services**

*Mrs Marie Cameron  
College Services Coordinator*

### **Mother's Christmas Mass and Thank You Dinner**

Will be held on Thursday 22 November 2018. Mass will commence at 6.30pm in the Chapel and dinner will follow on the Cameron Centre Decking. More information to follow. If you are in contact with other past Mother's, please inform them of the date. Everyone welcome.

### **Uniform Exchange**

Please ensure you leave the drycleaning tag on Blazers. There are shirts, shorts, sports uniforms and grey pants all in supply currently.

### **College Canteen**

If you can assist during a lunchtime, please email [mcameron@whitefriars.vic.edu.au](mailto:mcameron@whitefriars.vic.edu.au) or call phone Nola on 9872 8308. Thank you to those of you who have already helped.

Join us to celebrate the  
50th Anniversary of Doncaster Kindergarten  
on **Sunday 16th September 2018** from **11am -2pm**  
Suite 11a, Manningham City Square  
687 Doncaster Road Doncaster

**FREE Kids Entertainment**
